

## GUIDELINES FOR POSTER PRESENTATION

Dear POSTER presenter,

Before preparing your presentation, please take a few minutes to read these guidelines.

Posters will be displayed in the dedicated conference room, starting on Thursday, September 19th, 2024, and lasting until the end of the Conference. Participants will be allowed to enter the room and discuss the posters at any time during conference hours.

**Before the conference, you are kindly asked to** prepare the poster in Portrait Orientation (100 x 70 cm h:w – B1 size). Please ensure that fonts are large enough to be well visible to the audience. Place a picture of the presenting author near the title at the top of the poster to allow viewers to identify your paper and yourself easily. Indicate the authors' names and email address information to allow interested viewers to contact you for more details. Prepare all diagrams or charts neatly and legibly in size sufficient to be read at a distance of 1.5 to 2.0 meters.

**During the conference, you are kindly asked to** bring a printed version of your poster to the Conference. No print service will be provided during the conference.

### Posters mounting

Poster boards will be equipped with a click-fit. Therefore, no mounting materials are required.
